

Bachelor of Commerce (Honours)

LOCATION	QTAC CODE	START
Online	Direct	Semester 1, Semester 2

Learn advanced skills in problem solving, critical analysis and communication – areas of expertise that are highly sought after by employers in consultancy, industry, government and academia. This is an opportunity to join our rich and diverse student research community to gain a deeper knowledge and understanding of issues facing the commercial world. At the end of your honours program, you could continue your research with further postgraduate study or a higher research degree.

In this program you will:

- Develop advanced skills in theoretical inquiry, empirical analysis, and communication
- Learn research methods such as literature reviews and in-depth information analysis
- Hone your communication skills

BU402

Program structure

The Bachelor of Commerce (Honours) structure is as follows:

- a 48-unit coursework component (consisting of four 12-unit courses), and
- a 48-unit thesis component

Students are required to complete a literature review and detailed methodology by the end of the first semester for full-time students. Where part-time study has been approved in consultation with the Program Coordinator the literature review and detailed methodology is required to be completed by the end of the second semester.

Coursework component (4) 48 units

BUS512 Introduction to Research Concepts and Design

BUS513 The Literature Review

BUS514 Qualitative Research Methods

BUS515 Applied Quantitative Research Methods

Thesis component 48 units

HNB402F Thesis (48 units)

The nature and topic of the thesis is determined by the student's interests, the interests of potential supervisors and the availability of appropriate supervision.

Note: Not all UniSC courses are available on every UniSC campus.
