Get ready to take your seat in the boardroom with a specialised double degree designed to give you the skills and knowledge sought after by large legal and accounting firms. During your studies, you'll build core knowledge across the legal and accountancy disciplines, and develop advanced skills in communication, analytical thinking and problem solving.

In this program you will:

- Study the courses required for admission as a legal practitioner in Australia, including criminal and commercial law, torts, contracts and constitutional law
- · Learn about financial and company accounting, taxation law, auditing, financial management and more
- Build practical legal skills by preparing advice, presenting legal arguments and observing court proceedings

#### Career opportunities

- Solicitor
- Barrister
- · Company secretary
- Accountant
- Auditor
- Stockbroker
- · Careers with an accounting or law focus

#### Accreditation

The degree is an approved academic qualification for admission to the legal profession. However, graduates must undertake a further period of practical legal training before being admitted as a legal practitioner.
