LOCATION	START
Sunshine Coast	Session 1, Session 2, Session 3, Session 5, Session 6, Session 7
Online	Session 1, Session 2, Session 3, Session 5, Session 6, Session 7

Stand out on the global business stage. In an increasingly complex and globalised business world, the demands of management require skills across all facets of business. This program explores the diverse facets of the international business environment, and allows you to broaden your skills to prepare for senior management roles.

In this program you will:

- Study strategy development, cross-cultural management, international marketing and managing international supply chains and finance
- Explore current business issues
- Learn to integrate knowledge and skills across functions and disciplines, while focusing on the application of theory and execution practice
